Purpose

Detail the required tuition and administrative fees, charges and payment rules for Kent students.

Scope

This policy applies to all Kent students and includes courses offered to international students by Kent, as registered with the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS).

Aim

Outline the requirements and procedure pertaining to the payment of tuition and administrative fees for Kent students.

Procedure

1.0 Tuition Fee Due Dates

Students are required to pay all tuition fees due for a study period, prior to the commencement of classes and as stated on their signed written agreement, also known as the 'Letter of Offer'. Throughout the duration of the courses listed on the written agreement there will be no changes made to the tuition fee amounts. If a student requests a change to their existing enrolment they will be issued with a new written agreement and the tuition fees and other administrative charges may change at that time. If a student is required to repeat a subject they will be required to make an additional tuition fee payment, in accordance with their fee rate per unit/subject as outlined in their current written agreement.

2.0 FEE-HELP (Higher Education only)

a) Charges

Students who are eligible for FEE-HELP are not required to pay any tuition fees upfront at the commencement of each study period; however they are required to submit a completed and valid FEE-HELP assistance form upon commencement of the course. FEE-HELP charges will apply after the applicable census date for each unit/subject for which the student remains enrolled. Census dates for all Higher Education (HE) study periods are published on the Academic Calendar Higher Education. ([Documents](#)>Public Policies and Forms).

b) Re-crediting of charges

If a student withdraws from a unit after the census date due to serious illness or other 'special circumstances', they can apply to Kent to have their HELP debt remitted (and their FEE-HELP balance re-credited if applicable). Requests for re-crediting of HELP debts should be sent to StudentFinance@Kent.edu.au accompanied by independent supporting documentation. Students will be informed of the outcome within ten (10) working days.

If a student withdraws from a unit after the census date due to 'change of mind', they are legally obliged to repay their HELP debt and will not be able to apply to have their HELP debt remitted.

3.0 New International Students

Upon acceptance of an offer of admission and prior to a CoE being issued all international students are required to pay the initial tuition fee deposit, any Overseas Student Health Cover (OSHC) premium and enrolment fee as specified in the written agreement. The combination of these payments are referred to as the **initial deposit amount**. (*Note: all payments must be received and cleared.*)

Initial tuition fee deposits will be credited towards a student's full tuition fees due once they have enrolled and commenced their course with Kent. Unless otherwise specified in a student's written agreement, students will be required to pay any difference between their initial tuition fees and the full tuition fees for the first study period upon enrolment into the course.

4.0 Continuing International Students

a) Higher Education (HEd)

HEd students who fail to re-enrol before the last date to enrol of a **compulsory** study period (*i.e. units of study chosen and paid full tuition fees*) and have not notified Kent of their inability to continue their course of study on the Student Withdrawal Transfer Release Request form will be considered in effect to have withdrawn from their course with Kent and will have their CoE cancelled for 'Student notified cessation of studies' and the DIBP notified. This may lead to the student's visa being cancelled. (Refer to Student Selection and Admissions Policy & Procedures) ([Documents](#) > Public Policies and Forms > POLICY – Student Admissions Policy.)

b) Vocational Education and Training (VET)

VET students will be automatically enrolled in all study periods until completion of the course and will be expected to pay the tuition fees due, on time and in accordance with their written agreement. If a VET student is unable to continue the course, this must be notified in writing by completing a withdrawal request form prior to the census date of the applicable study period. (Refer to Student Document) ([Documents](#)> Student Policies and Forms> FORM-Student Withdrawal Transfer Release Request. Login Required) If a student has not informed

Kent of withdrawal prior to the census date, the charges for that study period will be payable by the student.

5.0 Requests for extension of time to pay fees

Kent may approve an extension of time to pay tuition fees only under exceptional or compelling circumstances. The Student Fee Extension Application must be completed and submitted with documentary evidence. ([Documents](#) > *Student Policies and Forms* > *FORM - Student Fee Extension Application. Login Required*).

Kent will consider requests for an extension of time to pay tuition fees on an individual basis. Requests must be submitted in writing (*student email is acceptable*) on the Student Fee Extension Application and include documentation explaining the exceptional circumstances. Submissions can be made in person at the Kent Administration <http://kent.edu.au/kent3/how-to-pay/tion> Reception or emailed to StudentFinance@Kent.edu.au. ([Documents](#) > *Student Policies and Forms* > *FORM - Student Fee Extension Application. Login Required*).

Kent will not consider requests for extensions received after the due date of the fees. Fee extensions can only be granted for a maximum of four (4) weeks from the Fee Due Date.

6.0 Late Payment Administrative Charges

Students who do not pay all outstanding tuition fees within 7 (seven) days after the agreed tuition fee due date may be excluded from classes and a late payment administration charge of \$100 will be added to their account.

7.0 Reporting Students for Non-Payment of Tuition Fees

Students who do not pay all outstanding tuition fees and applicable late payment fees within 14 (fourteen) days after the agreed tuition fee due date will be excluded from classes and sent a notification that Kent intends to cancel their enrolment for non-payment of fees. Students will only be fully re-instated into their course when all outstanding fees are paid. Kent will issue intent to cancel notices to students by Kent student e-mail and personal e-mail addresses (as provided to Kent). Students will be provided with 20 (twenty) working days in which to access Kent's internal appeal processes if they wish to appeal against Kent's decision to cancel their enrolment. The internal appeal outcome is final.

International students who do not remit full payment due or access Kent's internal appeals process within 20 working days of the notification, will have their Confirmation of Enrolment (CoE) cancelled and the Department of Immigration & Border Protection (DIBP) notified. This may lead to their student's visa being cancelled. Kent refers cases of outstanding debt to an external debt collection agency for retrieval.

8.0 Appeals Against Non-Payment of Fees Reporting

a) Application process and considered grounds:

Appeals against the institutions intent to cancel a student's enrolment for non-payment of fees will be processed within 10 (ten) working days from the date of lodgment and students will be notified of the outcome in writing, including the reasons for the decision. Appeals will only be considered in the following circumstances:

- i. They are received in writing on the Student Complaints and Appeals Form ([Documents](#)> *Student Policies and Forms* > *Form – Student Complaints and Appeals Form – Login Required*) within 20 (twenty) working days from the date of notification;
AND

- ii. The student believes that Kent has miscalculated their fees and the money owing is being disputed. In this circumstance students may wish to attach proof of payment or evidence of other payments they have made in line with their most recent signed written agreement as supporting evidence; **OR**
- iii. Compassionate and/or compelling grounds supported by documentary evidence that explains why the students finances are affected and why they could not apply for a fee payment extension prior to class commencement, or why they are still unable to meet their payment requirements after the extended due date. The supporting documentation provided in this application must be sufficient enough for Kent staff to be able to accurately assess the validity of the exceptional or unusual circumstances and the ongoing impact this has had on the student's finances.

b) Successful Internal Appeals:

Students who have a successful appeal outcome will either have their accounts corrected if the appeal was due to a miscalculation of fees owing, or will be granted an additional 1 (one) week extension to pay the outstanding fees due if in compassionate and/or compelling circumstances. If a student fails to finalise the outstanding payments within the extended period they will be sent another notification of intent to cancel for non-payment of fees. During the second appeal period the documentation provided in the first appeal cannot be used as grounds for further consideration.

c) Unsuccessful Internal Appeals:

Students who have an unsuccessful appeal outcome will be notified in writing the reason for this decision. This is the only avenue of internal appeal and the decision is final. Students will be reported for non-payment of fees as soon as practicable after the outcome has been communicated.
