SINCE 1989

Welcome to Kent

Driving ambition - Creating opportunity

Kent Institute Australia (Kent) has been providing quality training and education to students for over 30 years and we continue to grow and innovate.

Today Kent is recognised as a leading provider of accredited courses, offering education to both domestic & international students. We are proud to have helped nearly 13,000 domestic and international students get started in their career journey.

Our principle is to create the pathway to our students' future by broadening their knowledge and expanding their life experiences.

Why study at Kent

Kent's Campuses

Two State-of-the-Art campuses conveniently located in the heart of Sydney and Melbourne.

Kent's Courses

Fully-accredited courses that are recognised globally.

Kent's Diverse Student Network

Kent student body is made up of nearly 60 nationalities and has over 13,000 graduates working in industries all over the world.

Career & Learning Support

Leadership and Development Program, Academic English Language Support, Wellbeing Support and Career Services are available to students.

Kent's Track Record

Over 30 years of providing quality education.

Taught by Industry Professionals

Learn from experienced industry professionals who bring real world experience into the classroom.

Student Testimonials

Ben
Bachelor of Business

"The campus is modern and conveniently located. I can walk to the nearby famous landmarks like the Opera House. The buildings are new and impressive when I first came to the campus."

Renan
Software Engineer, EightD & Co.

"Kent course structure is better in the sense that it is more organised. Lecturers are really keen to know if the students are really learning or progressing. They are passionate of knowing their students a little bit further rather than just checking their assignments."

Natalia
Diploma of Website Development

"Everyone is incredibly supportive. My experience has always been great; having wellbeing support and student services support has been very valuable."

Wirinya
Bachelor of Accounting

"Kent really cares for all of its students and supports them throughout their studies. So if you really want your future to be great, choose Kent Institute Australia."

Create your pathway to success.

Melbourne Campus

Student Testimonials

Atziri

Certificate IV in Accounting

"Kent gives me an opportunity to share my study abroad experience with many other like-minded international students, and has opened new avenues for me in the world of education."

Danish

Bachelor of Accounting

"Kent Institute Australia has always been helpful and responsible towards its students, providing quality education and extra activities both on and off campus."

Sydney Campus

You can view a 360° virtual tour of both campuses by scanning this QR code.

Supradi

Bachelor of Accounting

"Every international student has the same question when they decide to study abroad, and that is whether their provider will supply them with a globally recognised degree. Kent not only supplies this but also has a friendly environment similar to my home country."

Justine

Bachelor of Business

"Kent assists students with their concerns while studying here and they provide fantastic support to the fullest possible extent."

Melbourne Campus

350 Queen Street, Melbourne, VIC Australia

Kent's Melbourne CBD campus features:

- Furnished student breakout areas within contemporary premises.
- Premium IT facilities.
- Four new computer labs and five lecture theatres/tutorial rooms

Located in the heart of Melbourne CBD, Kent campus is short walking distance to public transport, parks, shops and famous landmarks

	La Trobe St / Queen St Tram Stop	2 minutes
	Lonsdale St Tram Stop	4 minutes
	Melbourne Central Station	4 minutes
	Flagstaff Tram Stop	4 minutes
	State Library Victoria	8 minutes
	City Library	14 minutes
	Flagstaff Gardens	6 minutes
	Melbourne Townhall	13 minutes

Life in Melbourne

Cost of living

Estimated annual living costs

- For single international students - AUD\$21,041
- For partners coming with you - AUD\$7,362
- For a child coming with you - AUD\$3,152

Living expenses

- Groceries & eating out - \$90 to \$200 per week
- Gas, electricity - \$5 - \$20 per week
- Phone & internet - \$10 to \$40 per week
- Public transport - \$44 per week
- Entertainment/Shopping - \$50 - \$100 per week

Accommodation

- Homestay - \$295 to \$360 per week
- Hostels - \$230 to \$285 per week
- Shared rental - \$200 to \$240 per week
- Entire apartment - \$650 to \$825 per week

Places for food lovers

This is a city with amazing flavours, with food cultures from all over the world. Kent is surrounded by pubs, restaurants, and cafés, many of which are within walking distance.

Try these three favourites:

- Enjoy fresh fish and seafood at Melbourne seafood markets
- Try out Asian cuisines at the food market in Chinatown every weekend
- Have outdoor BBQ picnics with Aussie food at Alexandra Gardens

Famous destinations to visit

Melbourne is known as the European city of Australia with many art museums and galleries. Grand Victorian buildings remind us of the city's Gold Rush heyday, while tree-lined parks and a maze of hidden laneways make exploring the city enjoyable.

You can discover famous spots such as:

- Port Phillip Bay with a lot of sunshine
- National Gallery of Victoria where you can find inspiration
- Southbank by Yarra River with iconic cafés, and cultural attractions

Preparing you for success

At Kent, we take a holistic approach in the development of our students, which is why we provide services that are tailored to both their professional and personal growth.

Academic Support

Kent's Academic Learning Support Unit delivers workshops for all students. We also offer individual consultations at any stage of their course.

The team are specialists in higher education and training who have years of experience providing quality advice to a wide variety of students. It is our mission to empower students to achieve their goals.

kent.edu.au/studentsupport

Career and Employment Support

We want to see Kent students graduate equipped with the confidence, skills, knowledge and attributes that make them the top choice for employers. To achieve this, Kent provides students with access to our exclusive online Kent Careers Service portal and personal weekly consultation services 'Career Hub' and regular 'Job Ready' workshops.

kent.edu.au/careers-and-employment-service

Wellbeing and Support Services

Kent caters to diverse student learning needs and aims to identify and respond to the learning needs of all students. Kent provides free and confidential counselling support.

kent.edu.au/health-wellbeing-support

LEAD Program

Employers are looking for candidates who have extracurricular skills and experience.

The Leadership, Experience and Development Pro-gram (LEAD) is a point-based program that gives aspiring leaders an opportunity to build leadership capacity, interpersonal communications and gain skills for future employment.

Students who accumulate 100 or more points over the year receive Kent LEAD Program.

kent.edu.au/lead

Student Programs & Activities

We hold a range of extra-curricular events and activities for students all throughout the year. These events provide students with opportunities to create new friendships, develop skills, access support and receive recognition as part of the LEAD program.

We want you to succeed in your studies, swiftly adapt and enjoy life in Australia, develop lifelong friends, and have fun while working towards your academic and career goals.

Our Courses

Kent is an accredited Institute of Higher Education and Registered Training Organisation, with nationally recognised courses for both domestic and international students in Sydney and Melbourne

Potential Careers

Project Director

Project Manager

Project Management Section Leader

Pre-requisites for Admission

Have completed one of the following qualifications: BSB50820 Diploma of Project Management; or BSB51415 Diploma of Project Management (or a superseded equivalent version). OR Have completed two years' equivalent full-time relevant workplace experience at a significant level within a project or program environment within an enterprise.

Delivery Mode

Face-to-face

Study Requirements

Full-time (20 hours per week) using blended mode (face-to-face and supervised study sessions)
Note: Excludes Self Study for assessment tasks.

Certificate IV in Accounting & Bookkeeping

This qualification reflects the job roles of workers in the accounting industry, including BAS Agents and contract bookkeepers; and of those employees performing bookkeeping tasks for organisations in a range of industries. It includes preparing and lodging business and instalment activity statements, and providing advice or dealing with the Commissioner on behalf of a taxpayer in relation to activity statements. Individuals in these roles apply theoretical and specialist knowledge and skills to work autonomously, and exercise judgement in completing routine and non-routine activities.

Qualification Units

BSBFIA401	Prepare financial reports
BSBSMB412	Introduce cloud computing into business operations
FNSACC311	Process financial transactions and extract interim reports
FNSACC312	Administer subsidiary accounts and ledgers
FNSACC408	Work effectively in the accounting and bookkeeping industry
FNSACC416	Set up and operate a computerised accounting system
FNSTPB401	Complete business activity and instalment activity statements
FNSTPB402	Establish and maintain payroll systems
BSBITU402	Develop and use complex spreadsheets
FNSACC411	Process business tax requirements
FNSACC412	Prepare operational budgets
FNSACC413	Make decisions in a legal context
FNSACC414	Prepare financial statements for non-reporting entities

Study Requirements

Full-time (20 hours per week) using blended mode (face-to-face and supervised study sessions) Note: Excludes Self Study for assessment tasks.

Certificate IV in Information Technology

This qualification reflects the role of individuals who are job ready and competent in a wide range of information and communications technology (ICT) roles and apply a broad range of skills in varied work contexts, using problem-solving skills and effective communication with others.

The skills required for these roles may include, but are not restricted to:

- Networking: installing, configuring and testing networks and servers in organisations
- Systems administration support: implementing maintenance procedures and support to help troubleshoot system applications

Delivery Mode

Face-to-face

Qualification Units

Core Units

BSBXCS404	Contribute to cyber security risk management
ICTPRG302	Apply introductory programming techniques
ICTSAS432	Identify and resolve client ICT problems
ICTICT426	Identify and evaluate emerging technologies and practices
ICTICT443	Work collaboratively in the ICT industry
ICTICT451	Comply with IP, ethics and privacy policies in ICT environments
BSBCRT404	Apply advanced critical thinking to work processes

Elective Units

ICTWEB434	Transfer content to websites
ICTWEB441	Produce basic client-side script
ICTICT444	Develop client user interface
ICTWEB450	Evaluate and select a web hosting service
ICTICT429	Determine and confirm client business requirements
ICTWEB433	Confirm accessibility of websites
ICTDBS416	Create basic relational databases
ICTWEB451	Apply structured query language in relational databases
ICTWEB430	Produce server-side script for dynamic web pages
ICTWEB432	Design website layouts
ICTWEB431	Create and Style simple mark-up language documents
ICTWEB452	Create a mark-up language document
ICTWEB443	Implement search engine optimisations

 Sydney/Melbourne

 \$6,592

 <https://kent.edu.au/kent3/information-technology-courses>

Diploma of Information Technology

This qualification reflects the role of individuals in a variety of information and communications technology (ICT) roles who have established specialised skills in a technical ICT function. Individuals in these roles carry out moderately complex tasks in specialist fields, working independently, as part of a team or leading deliverables with others. They may apply their skills across a wide range of industries, business functions and departments, or as a business owner (sole trader/contractor). The skills required for these roles may include, but are not restricted to:

- Cyber security: protecting sensitive data and information through security architecture and developing disaster recovery and contingency plans
- Database and data management: creating, designing and monitoring systems that store data and optimise organisational knowledge management
- Systems administration: reviewing maintenance procedures and support to help troubleshoot system applications

Core Units

ICTICT532	Apply IP, ethics and privacy policies in ICT environments
BSBCRT512	Originate and develop concepts
ICTICT517	Match ICT needs with the strategic direction of the organisation
BSBXCS402	Promote workplace cyber security awareness and best practices
BSBXTW401	Lead and facilitate a team
ICTSAS527	Manage client problems

Pre-requisites for Admission

Successful completion of an AQF recognised Certificate IV in Information Technology or other relevant qualification; OR

Relevant work experience in a related field

Diploma of Information Technology

Specialisation Elective Units

Front End and Back End Web Development

ICTDBS507	Integrate databases with websites
ICTWEB519	Develop complex web page layouts
ICTWEB522	Develop website information architecture
ICTWEB525	Implement quality assurance process for websites
ICTPRG554	Manage data persistence using NoSQL data stores
ICTWEB513	Build dynamic websites
ICTWEB514	Create dynamic web pages
ICTDMT501	Incorporate and edit digital video
ICTWEB518	Build a document using extensible mark-up language
ICTWEB520	Develop complex cascading style sheets
CUADIG512	Design digital applications
ICTPRG553	Create and develop REST APIs
ICTICT530	Design user experience solutions
CUAPOS411	Edit screen content for fast turnaround

Cyber Security

ICTDBS507	Integrate databases with websites
ICTCLD501	Develop cloud disaster recovery plans
ICTCLD503	Implement web-scale cloud infrastructure
ICTCLD502	Design and implement highly-available cloud infrastructure
ICTCLD504	Improve cloud-based infrastructure
ICTCLD505	Implement cloud infrastructure with code
ICTCLD506	Implement virtual network in cloud environments
ICTCLD507	Build and deploy resources on cloud platforms
ICTCLD508	Manage infrastructure in cloud environments
ICTCYS407	Gather, analyse and interpret threat data
ICTCYS613	Utilise design methodologies for security architecture
ICTCYS610	Protect critical infrastructure for organisations
ICTSAS524	Develop, implement and evaluate an incident response plan
ICTSAS526	Review and update disaster recovery and contingency plans

Telecommunications Network Engineering

ICTICT519	Develop detailed component specifications from project specifications
ICTNPL413	Evaluate networking regulations and legislation for the telecommunications industry
ICTNWK423	Manage network and data integrity
ICTNWK541	Configure, verify and troubleshoot WAN links and IP services
ICTPMG505	Manage ICT projects
ICTTEN519	Design network building projects
ICTNWK529	Install and manage complex ICT networks
ICTNWK536	Plan, implement and test enterprise communication solutions
ICTNWK540	Design, build and test network servers
ICTNWK546	Manage network security
ICTNWK557	Configure and manage advanced virtual computing environments
ICTNWK559	Install an enterprise virtual computing environment
ICTSAS512	Review and manage delivery of maintenance services
ICTSAS518	Install and upgrade operating systems

Cloud Architect & Cloud Engineering

ICTDBS507	Integrate databases with websites
ICTCLD501	Develop cloud disaster recovery plans
ICTCLD503	Implement web-scale cloud infrastructure
ICTCLD502	Design and implement highly-available cloud infrastructure
ICTCLD504	Improve cloud-based infrastructure
ICTCLD505	Implement cloud infrastructure with code
ICTCLD506	Implement virtual network in cloud environments
ICTCLD507	Build and deploy resources on cloud platforms
ICTCLD508	Manage infrastructure in cloud environments
ICTSAS512	Review and manage delivery of maintenance services
ICTSAS518	Install and upgrade operating systems
ICTICT520	Confirm transition strategy for a new system
ICTICT521	Select new technology supported business model
ICTSAS522	Manage the testing process

Advanced Diploma of Information Technology

This qualification reflects the role of individuals in a variety of information and communications technology (ICT) roles who have significant experience in specialist technical skills, or managerial business and people management skills. Individuals in these roles carry out complex tasks in a specialist field, working independently, leading a team or a strategic direction of a business. The skills required for these roles may include, but are not restricted to:

- Advanced data management information: creating, designing and monitoring complex systems that store data, and optimising organisational knowledge management
- Cyber security: protecting sensitive data and information through security architecture, and developing disaster recovery and contingency plans
- Full stack web development: building advanced user interfaces, developing representational state transfer application program interfaces (REST APIs) and designing user experience solutions
- Further programming: applying advanced ICT languages to maintain security and manage data
- IT strategy and organisational development: managing and communicating strategic ICT business solutions
- Systems development and analysis: modelling and testing data objects, data processes and preferred ICT system solutions
- Telecommunications network engineering: managing logistics, organisational specifications, regulations and legislative requirements across network projects

Certificate III in Individual Support

This course prepares you for work in the community and/or a residential setting, with the elderly. The course has been designed in consultation with industry and includes both theory and hands-on learning. You will learn to communicate and work in health or community services, provide individualised support, recognise healthy body systems, work with diverse people, support independence and wellbeing, follow safe work practices, work legally and ethically.

Work involves using discretion and judgement in relation to individual support as well as taking responsibility for own outputs. Workers have a range of factual, technical and procedural knowledge, as well as some theoretical knowledge of the concepts and practices required to provide person-centred support. To achieve this qualification, the candidate must have completed at least 120 hours of work as detailed in the Assessment Requirements of the units of competency. We offer specialisations in Home and Community, Ageing and Disability.

Qualification Units

Core Units	
CHCCCS015	Provide individualised support
CHCCCS023	Support independence and well being
CHCCOM005	Communicate and work in health or community services
CHCDIV001	Work with diverse people
CHCLEG001	Work legally and ethically
HLTAAP001	Recognise healthy body systems
HLTWHS002	Follow safe work practices for direct client care

Potential Careers

- Community care worker
- Residential care worker
- Care assistant
- Home care assistant
- Assistant in nursing

Certificate III in Individual Support

Specialisation Elective Units

Ageing	Home & Community
CHCAGE002 Implement falls prevention strategies	CHCAGE001 Facilitate the empowerment of older people
CHCCCS001 Address the needs of people with chronic disease	CHCCCS011 Meet personal support needs
CHCCCS017 Provide loss and grief support	CHCCCS025 Support relationships with carers and families
CHCCCS025 Support relationships with carers and families	CHCHCS001 Provide home and community support services
CHCDIV002 Promote Aboriginal and/or Torres Strait Islander cultural safety	BSBCUS301 Deliver and monitor a service to customers
CHCGRP001 Support group activities	BSBWOR301 Organise personal work priorities and development
Disability	
CHCDIS001 Contribute to ongoing skills development using a strengths-based approach	
CHCDIS002 Follow established person-centred behaviour supports	
CHCDIS003 Support community participation and social inclusion	
CHCDIS007 Facilitate the empowerment of people with disability	
HLTINF001 Comply with infection prevention and control policies and procedures	
CHCADV001 Facilitate the interests and rights of clients	

Delivery Mode

Face-to-face

Study Requirements

Full-time (20 hours per week) using blended mode (face-to-face and supervised study sessions)
Note: Excludes Self Study for assessment tasks

Certificate III in Individual Support

Police Check

Students must complete a police check and be approved prior to any work experience taking place.

LLN Requirements

As a benchmark, to undertake this qualification, all students will need to display competence at or above the below levels in the Australian Core Skills Framework (ACSF):

- Learning: L3
- Reading: R2/3
- Writing: W2/3
- Oral Communication: OC3/4
- Numeracy: N2/3

*Note – this has been identified based on the Community services and health industry skills council Foundation Skills Guide for core units within this qualification.
This can be confirmed by requiring the student to complete the Commonwealth Approved ACSF Test.

Vaccination Requirements

Students must at least receive the first dose of a COVID-19 vaccine prior to any work experience taking place. Please refer to the Kent website for vaccination information

Certificate IV in Ageing Support

The nationally accredited Certificate IV in Ageing Support will enable you make a difference in the lives of others and lead from the front as an aged care team leader. Gain a deep working knowledge of aged care, uncover your personal leadership style and get on-the-job experience in this high demand area.

Certificate IV in Ageing Support reflects the role of support workers who complete specialised tasks and functions in aged services; either in residential, home or community-based environments. Workers will take responsibility for their own outputs within defined organisation guidelines and maintain quality service delivery through the development, facilitation and review of individualised service planning and delivery.

Workers may be required to demonstrate leadership and have limited responsibility for the organisation and the quantity and quality of outputs of others within limited parameters.

To achieve this qualification, the candidate must have completed at least 120 hours of work as detailed in the Assessment Requirements of the units of competency.

Qualification Units

CHCCCS011	Meet personal support needs
HLTWS002	Follow safe work practices for direct client care
HLTAAP001	Recognise healthy body systems
HLTHPS006	Assist clients with medication
CHCAGE005	Provide support to people living with dementia
CHCCCS023	Support independence and well being
CHCDIV001	Work with diverse people
CHCAGE001	Facilitate the empowerment of older people
CHCLEG003	Manage legal and ethical compliance
CHCAGE004	Implement interventions with older people at risk
CHCPAL001	Deliver care services using a palliative approach
CHCCCS021	Respond to suspected abuse
CHCCCS006	Facilitate individual service planning and delivery
CHCADV001	Facilitate the interests and rights of clients
CHCPRP001	Develop and maintain networks and collaborative partnerships
CHCAGE003	Coordinate services for older people
CHCCCS025	Support relationships with carers and families
CHCCCS001	Address the needs of people with chronic disease

COMPLETE YOUR APPLICATION

Download the relevant forms and email or post it back to us.
Email: offshoreadmissions@kent.edu.au

2

GATHER YOUR DOCUMENTATION

You will need the following documents to go with your application

- A certified copy of your passport
- Certified copies of your recent academic results and qualifications
- A certified copy of your English level documentation

See [entry requirements](#) for more information on what you need to be eligible to enrol.

3

COURSE CREDIT / RECOGNITION OF PRIOR LEARNING (IF APPLICABLE)

Students can apply for course credit on the basis of their previous studies at Kent or any other educational institution in Australia or overseas in accordance with Kent's Course Credit and Articulation Policy & Procedures.

Find out more at: kent.edu.au/kent3/course-credit-recognition-of-prior-learning/

4

OFFER OF ADMISSION - INTERNATIONAL STUDENT ENROLMENT AGREEMENT

We will process your application and if you're successful we'll send out the Offer of Admission – International Student Enrolment Agreement. You will need to read and complete your Enrolment Agreement. (Please ensure all relevant sections are signed on every page)

5

PAYING YOUR TUITION FEES

Your fee amount will be detailed in your 'Offer of Admission - International Student Enrolment Agreement' and you can choose from a number of payment methods.

- Fees: kent.edu.au/fees/
- How to pay: kent.edu.au/how-to-pay/

6

MEET VACCINATION REQUIREMENTS

Kent has mandated vaccination effective from 4 January 2022 for all staff and students.

Please refer to the [Kent website](#) for vaccination information.

7

WELCOME TO KENT

Once your payment has been processed, you'll receive a Confirmation of Enrolment (CoE). Information about Kent Orientation will be sent to you closer to course commencement day.

Find out more about applying for visas: kent.edu.au/kent3/visas

Important Dates

Higher Education (Bachelor Degree)

Trimester	Orientation dates	Study Dates	Census Dates
1	14 - 18 March 2022	21 March 2022 - 29 June 2022	8 April 2022
2	11 - 15 July 2022	18 July 2022 - 26 October 2022	5 August 2022
3	7 - 11 November 2022	14 November 2022- 1 March 2023	2 December 2022

VET (Certificate III, Certificate IV, Diploma, Advanced Diploma)

Term	Orientation dates	Term Dates	Census Dates
1	7th January 2022	10th January - 20th March 2022	10th January 2022
2	1st April 2022	4th April - 2th June 2022	4th April 2022
3	24th June 2022	27th June - 4th September 2022	27th June 2022
4	16th September 2022	19th Sep - 27th Nov 2022	19th Sep 2022

Please Note:

The Census date is the official deadline for finalising your enrolment for the study period. You may only choose to withdraw or defer from a subject until this date, as once it has passed you are committed to your enrolment for the study period. Census dates vary each term.
