- Just for fun!
- Personal Success and Leadership
- Careers and Employment
- Academic Skills
- English Language Skills

1.1 Student Orientation 'O Week'

Orientation also known as 'O Week' is held during the week prior to formal class commencement, and is compulsory for all new students. It is a key step to successful integration into the Kent student community. It is essential that students attend orientation as it will assist them to understand Kent's academic systems and familiarise themselves with Kent's facilities, policies and procedures. Orientation is also designed to provide students with an understanding of what is required of them while studying.

During orientation queries relating to course structure and timetables will be answered. It is possible to make individual appointments with academic staff to answer any additional questions students have regarding unit selection and students can register to have a Student Mentor to assist them with transitioning to higher education studies at Kent.

1.2 Student Events and Activities

kent.edu.au/events

Get Involved!

Kent holds many extra-curricular events and activities for students all throughout the year. Events and activities are planned around five core themes:

Most events and activities are completely free and provide a great platform to provide students with opportunities to create new friendships, develop skills, access support and receive recognition as part of the LEAD program.

To view and register your attendance for upcoming events and activities, head to Kent's event webpage kent.edu.au/events.

1.2.1 Leadership, Experience and Development (LEAD) Program

What makes you stand out?

Employers are looking for candidates who have done something extra. LEAD is an opportunity for students to gain recognition for developing a range of skills outside their course. LEAD is a points based program that gives aspiring leaders an opportunity to build leadership capacity, interpersonal communications and gain skills for future employment.

Participate in LEAD Workshops, Activities, Events or Initiatives to gain points and record them on your LEAD Passport. LEAD events and activities can be found on the Kent events calendar - kent.edu.au/events. You can also gain points from any volunteering work you do. Students and Alumni who accumulate 100 or more points over the year will receive a Kent LEAD Program certificate and activity transcript for their portfolio's at the yearly awards ceremony.

The student who accumulates the highest number of points will be awarded the Kent LEAD Ambassador of the Year trophy and will be nominated by Kent for an external award in NSW and VIC such as the International Student of the Year Award Competitions.

The Kent LEAD Ambassador of the Year will also receive significant media coverage through Kent's social platforms, website, YouTube and newsletters.

You are represented!

Kent has a SRG consisting of students from both the Sydney and Melbourne campuses who have been nominated by their fellow students to represent them.

The SRG meet independently throughout the year to discuss student lead ideas and concerns. They organise student activities throughout the year and are key contacts for student advocacy by providing independent advice and referral for students. The SRG also provide feedback from students to the Student Representative on the Academic Board and the Kent Executive Management team.

The SRG strive to ensure the student body is adequately represented and recognised to:

- Enhance the advancement of student life, quality education and student participation

1.3 Student Health and Wellbeing Services

Kent caters to diverse student learning needs and aims to identify and respond to the learning needs of all students. We know that students need to be able to manage all areas of their life in order to achieve academically, we also know that as most of our students are studying a long way from their family and usual support systems, they may experience more challenges than local students.

Students are encouraged to express their views about their learning needs at all stages of their learning experience.

1.3.1 Counselling Services

Studying in a new country can be challenging! At Kent we know that students who are thriving in all areas of their life are better able to achieve academically. Therefore, it is important to look after your physical and mental health, learn to manage stress effectively and reach out for support when you need it.

Many students studying at Kent are living a long way from family and adjusting to life in a new country, this can add increased difficulties and stressors to your life. Getting to know your new city, learning about local health and welfare support services, connecting in with friends through events and activities, getting involved in the local community, and talking to a counsellor when things get tough can all help you stay on track and achieve success.

Kent offers the following wellbeing services to our students:

- Free and confidential Counselling Services
- Wellbeing Workshops
- Social Events and Activities

Personal counselling services include, but are not limited to, the following:

- Grievance /conflict resolution
- Stress and anxiety management
- Life skills and time management
- Access and equity issues
- Student welfare and support
- General wellbeing and healthy living

1.3.2 Special Needs Learning and Assessment

Students with special needs may receive assistance for learning and assessment. This will be determined on a case-by-case basis. Students with special needs may provide a statement from a health professional about the nature of their special need which may also provide guidance on how students can be accommodated. Students will then meet with the Executive Manager Student and Campus Services to discuss assistance arrangements. This information will then be submitted to the Executive Dean.

Contact: studentservices@kent.edu.au for assistance with this process.

1.3.3 Overseas Student Health Cover

If you're on a Student Visa at Kent, you must have a current health insurance policy, this is known as Overseas Student Health Cover (OSHC).

Students can organise their OSHC through Kent who partners with BUPA. More information on OSHC is available on our website at kent.edu.au/health-insurance/.

The Australian Government requires all international students to have OSHC for the duration of their student visa to help ensure students will be covered for the cost of some medical treatments if they get sick or have an accident.

1.4 English Language Support

Kent is committed to ensuring the very best outcomes for all students. The English Language Support offered at Kent provides all students assistance with English through a range of support options that are designed to strengthen skills in confidence and fluency in the use of the English language. The objective is to assist students with their listening, reading, writing and speaking skills and encourage students to become confident in using English in their everyday lives.

Individual consultations

These individual consultations provide opportunities for students to receive tailored advice on how to improve their English across a variety of micro and macro skills such as pronunciation, grammar and vocabulary, academic reading and writing skills, business English and fluency.

English Conversation Café

As a commitment to creating positive, social and inclusive spaces on campus to further facilitate students improving their English, Kent offers a conversation café. In these weekly sessions, students are encouraged to attend and participate in a conversation with their fellow class mates in English in a relaxed and supportive environment.

Online English Resources

Kent Students have access to online English support through their Moodle access, which is available to them at any time. This is in the form of written documentation, online quizzes and videos. ([Kent Website](#) > [MyKent Student Link](#) > **POLICY – Complaints and Appeals Policy and Procedures - Student Login Required**)

Kent's Complaints and Appeals Policy & Procedures is based on the principles of fair and just process and the resolution of perceived grievances in a timely and constructive manner.

Where a query or complaint is of a simple or straightforward nature, students are encouraged to raise it with the relevant Kent staff member, so as to seek its effective resolution prior to submitting an application for the formal process. 3.1.3 Course Credit

Students can apply for course credit for units on the basis of their previous studies at Kent or any other educational institution in Australia or overseas in accordance with Kent's Course Credit and Articulation Policy & Procedures.

([Kent Website > MyKent Student Link > POLICY – Course Credit and Articulation Policy & Procedures - Student Login Required](#)).

If a student's prior learning is recognised, the student may be granted advanced standing in the form of course credit. This means a student will be granted credit for one (1) or more units of study on the basis of comparability of the student's prior learning with the units in the Kent course. Students will need to sign to accept any course credit offered to them before it is added to their academic record.

Students applying for course credit should do so at the time of application for admission to the Kent course. The application for course credit must be made in writing on the Course Credit Application Form Higher Education ([Kent Website > MyKent Student Link > FORM – Course Credit Application Form Higher Education - Student Login Required](#)) and all necessary supporting documents, such as certificates, transcripts, and syllabus are to be attached to that form before the census date (end of week 3) in their first trimester. If the documents are in a language other than English, an official translation must be provided together with the original document.

The qualification or unit being used to apply for course credit must have been completed within ten (10) years of the time of the application for course credit.

If course credit is granted prior to the student visa being granted, the actual net course duration (as reduced by course credit granted) will be indicated on the student's electronic Confirmation of Enrolment (eCoE). If the course credit is granted after the student's visa is granted, the change of course duration will be reported to the Australian Government Department of Home Affairs via the student's eCoE as required by the ESOS Act.

3.1.4 Deferral of Enrolment

A student who has received an electronic Confirmation of Enrolment (eCoE) from Kent and wishes to defer the commencement of their studies are required to complete a Student Deferral Request Form and submit it to Kent Student Services Unit Staff.

Requests for deferral must be accompanied by supporting documentation as proof of the necessity to defer. Where no supporting documentation is available, a supporting letter explaining the reasons must be provided.

Supporting documents may include (but are not limited to):

- Revised Letter of Offer from pathway partner
- Transcripts from current institution
- IELTS exam date
- Visa lodgement date
- Medical Certificate
- Death certificate and/or
- Police or psychologist's report

A student's request for deferral of enrolment will be considered in accordance with the Student Deferral of Enrolment Policy & Procedures ([Kent Website > MyKent Student Link > POLICY – Student Deferral of Enrolment Policy & Procedures – FORM – Student Deferral Request Form - Student Login Required](#)).

3.1.5 Unit Selection

Prior to the commencement of each trimester, students will receive an email informing them of the enrolment process. Students will need to follow the steps outlined in the email to complete their enrolment into the following trimester.

Timetables will be issued during enrolment by the Higher Education Administrator, or will be available for online selection after tuition fees have been paid in full.

3.1.6 Change of Enrolment

Students may apply to change their course of study in writing with Student Services Unit Staff. Students who change their course of study may need additional time to complete their new course and student visa holders will need a new electronic Confirmation of Enrolment (eCoE). Where a new eCoE needs to be issued a non-refundable \$200 change of course fee applies. ([Kent Website > MyKent Student Link > POLICY – Student Transfer & Release Policy & Procedures – FORM – Course Transfer or Amendment Application Form - Student Login Required](#)).

3.1.7 Student Contact Details

It is important that Kent has the current residential address, personal email address, telephone number and emergency contact details for every student. This enables Kent to provide important information such as warnings, reminders and study notifications and to ensure that correct information is being supplied by Kent to Immigration. Students must advise Kent of any change in their contact details within seven (7) days, either online through updating their own records in the Student Information System (SIS), or by notifying Student Services Unit Staff in writing.

3.1.8 Full Time Study Load Requirement

Under Australian immigration law, international students are required to study full time. For the purposes of Kent Higher Education students, 'full time' normally means enrolment in four (4) units in each trimester of study and that the student enrolls in trimesters 1 and 2 of each academic year.

Only in limited circumstances may international students be enrolled in less than 100% of a normal full time load. Approval to study less than four (4) units in a trimester must be approved in advance by the Associate Dean or by Support staff as part of an intervention strategy.

If a student is permitted to study less than four (4) units in a trimester of an academic year, the student will be required to enrol in all three (3) trimesters of that academic year in a total of 8 units. Students who fail to enrol will be non-compliant with Australian visa regulations and may be reported to Australian Government Department of Home Affairs for cessation of studies.

Kent may also refuse to issue an extension electronic Confirmation of Enrolment (eCoE) to complete the course. Both of these may result in cancellation of the student's visa.

For details please refer to the Kent Full Time Study Policy & Procedures ([Kent Website > MyKent Student Link > POLICY – Full Time Study Policy & Procedures - Student Login Required](#)).

3.1.9 Unique Student Identifiers

What is a USI?

The Unique Student Identifier or USI is a reference number made up of 10 numbers and letters that:

- creates a secure online record of your recognised training and qualifications gained in Australia, even from different training organisations
- allows you to access Commonwealth financial assistance (FEE-HELP)
- can be accessed online, anytime and anywhere
- is free and easy to create and
- stays with you for life

If you are a new or continuing student undertaking Higher Education course, you need a USI in order to receive your qualification.

3.2 Student Requests

3.2.1 Student Travel Concession

Travel Concession forms for State Rail Authority & State Transit Authority of NSW and Victoria are available for students who are Australian citizens or who have Permanent Resident status. Students requiring a travel concession can obtain an application form from the Student Services Unit Staff.

3.2.2 Suspension Requests

Students currently undertaking a course of study who have been, or will be, absent from classes for a period of time which impacts their ability to complete the Trimester should apply for an approved leave or suspension by completing the Student Request for Leave or Suspension of Enrolment Application Form.

Students must attach a medical certificate and/or other supporting evidence of compassionate or extenuating circumstances. Compassionate or extenuating circumstances are generally those beyond the control of the student and which have an impact upon the student's course progress or wellbeing.

Where the reason for leave is not due to the student's own medical treatment in Australia, additional evidence may be requested such as proof of relationship, carer nomination and flight details. Periods of Leave or Suspension will be reported to the Australian Government Department of Home Affairs and may affect the student's visa. A student's request for suspension of studies will be considered in accordance with the Student Suspension and Cancellation of Enrolment Policy & Procedures ([Kent Website > MyKent Student Link > POLICY – Student Suspension and Cancellation of Enrolment Policy & Procedures – FORM – Student Request for Leave or Suspension of Enrolment Application Form - Student Login Required](#)).

3.2.3 Cancellation Requests

Students wishing to withdraw from their course of study and/or cancel their enrolment, are required to inform Kent in writing. Students will also be asked to attend an exit interview to discuss their reasons for requesting the cancellation. When a request has been approved, the student's enrolment will be cancelled. The Australian Government Department of Home Affairs will be notified via the students electronic Confirmation of Enrolment (eCoE) as required by the ESOS Act, which may lead to cancellation of the student's visa.

Transferring Education Providers

Kent assesses requests from students for a transfer between registered providers prior to the student completing six (6) calendar months of the principal course of study in accordance with the documented procedures of the Australian Government regulations, the ESOS Act and the National Code. Please refer to Kent's Student Transfer and Release Policy & Procedures. ([Kent Website > MyKent Student Link > POLICY – Student Transfer and Release Policy & Procedure - Student Login Required](#)).

Student Exit Interview

A student is required to contact Student Services Unit Staff to arrange for a Student Exit Interview. During this 'Exit Interview' a Student Exit Interview Record will be completed and attached to the Student Withdrawal/Transfer/Release Request Form prior to submission to the Student Administration Office for processing. ([Kent Website > MyKent Student Link > FORM– Student Exit Interview Record - Student Login Required](#))

3.3 Cancellation or Suspension Initiated by Kent

Kent may suspend/cancel the enrolment of any student in accordance with the Student Suspension and Cancellation of Enrolment Policy & Procedures or the Academic Misconduct Policy & Procedures ([Kent Website > MyKent Student Link > POLICY – Student Suspension and Cancellation of Enrolment Policy & Procedures - Student Login Required](#)) and ([Kent Website > MyKent Student Link > POLICY – Academic Misconduct Policy & Procedures – - Student Login Required](#)) if a student:

- Has gained admission to Kent by misrepresentation, by falsification of documents or by other fraudulent means; or
- Has failed to fulfil the normal requirements for admission or enrolment; or
- Has failed to commence the course within five (5) business days after the start date shown on the electronic Confirmation of Enrolment (eCoE); or
- Non-payment of fees; or
- Unsatisfactory Course Progress; or
- Has suspended their studies for more than six (6) months VET and twelve (12) months HED; or
- Has failed to meet course requirements; or
- Has committed an act of grave misconduct associated with the student's course of study.

The student will be informed by a Letter of Intention to Suspend/Cancel Enrolment and in most cases will be given twenty (20) working days to appeal, explaining why their enrolment should not be suspended/cancelled. (Refer to Complaints & Appeals Policy & Procedures) ([Kent Website > MyKent Student Link > POLICY – Complaints & Appeals Policy & Procedures - Student Login Required](#)).

If a student's enrolment is suspended/cancelled, the Australian Government Department of Home Affairs will be notified via the students electronic Confirmation of Enrolment (eCoE) as required by the ESOS Act. This may lead to a cancellation of the student's visa.

3.4 Payments and Refunds

3.4.1 Student Tuition Payments

Tuition fees are required to be paid in accordance with the Student Payments Policy & Procedures. ([Kent Website > MyKent Student Link > POLICY – Student Payments Policy & Procedures - Student Login Required](#))

Tuition Fee Due Dates

Students are required to pay all tuition fees due for a trimester prior to the commencement of classes. The class commencement date is published on the Academic Calendars. The only exception to this rule is if the student has an alternative payment plan pre-approved as part of a fee extension or their Student Enrolment Agreement.

3.4.2 Late Payments

Students who do not make their full tuition payment by the scheduled due date will incur a late fine of \$100 and may have their debt sent to an external collection agency in accordance with the Student Payments Policy & Procedures. Students may also have their account access blocked or restricted until the fees are paid. Students who continue to have outstanding fees will receive an Intent to Report (ITR) notice.

3.4.3 Requests for Extension of Time to Pay Fees

Kent may approve an extension of time to pay tuition fees in special circumstances. To apply for an extension of time to pay the Student Fee Extension Application must be completed and submitted in person to Student Services Unit Staff or emailed to studentfinance.syd@kent.edu.au or studentfinance.melb@kent.edu.au ([Kent Website > MyKent Student Link > FORM – Student Fee Extension Application - Student Login Required](#)).

Tuition fees may be refunded in accordance with the Student Refund Policy & Procedures ([Kent Website > MyKent Student Link > POLICY – Student Refund Policy & Procedures - Student Login Required](#)) and the Offer of Admission - International Student Enrolment Agreement or Offer of Admission - Student Enrolment Agreement.

In circumstances where Kent has defaulted on the Offer of Admission - Student Enrolment Agreement or Offer of Admission - Student Enrolment Agreement, such as when a course is no longer offered or Kent ceases to operate, the provisions of the ESOS Act 2000 and the ESOS Regulations 2001 will be followed by refunding all unspent tuition fees. If Kent ceases to operate, students will be guaranteed a continuance of their education and training by guaranteed acceptance into provider institutions of equal standing and in accordance to Kent's Teach Out Policy & Procedures. ([Kent Website > MyKent Student Link > POLICY – Teach Out Policy & Procedures - Student Login Required](#)).

3.4.5 Applying for a Refund

All requests for refunds must be made in writing and can be submitted on the Student Refund Request Form in person to Student Services Unit Staff or by email to studentfinance.syd@kent.edu.au or studentfinance.melb@kent.edu.au Kent will process refunds within twenty (20) business days of receiving a completed written claim from a student. All refunds are paid in Australian dollars and assessed in accordance with Kent's Student Refund Policy & Procedures. ([Kent Website > MyKent Student Link > POLICY – Student Refund Policy & Procedures – FORM – Student Refund Request Form - Student Login Required](#)).

The availability of complaints and appeal processes in accordance with Kent's Complaints and Appeals Policy & Procedures, does not remove the right of the student to take action under Australia's consumer protection laws. ([Kent Website > MyKent Student Link > POLICY – Complaints and Appeals Policy & Procedures - Student Login Required](#)).

4.0 Academic Matters

4.1 Award

Bachelor Degree courses are approved and accredited by the Tertiary Education Quality and Standards Agency (TEQSA). On successful completion of a Bachelor Degree the student will be awarded the relevant award by Kent in line with the Australian Qualifications Framework (AQF).

4.2 Course Structure

Please refer to the Kent Website kent.edu.au/courses for current information on courses delivered at Kent – information below may be updated from time to time.

4.2.3 Bachelor of Information Technology

Kent's Bachelor of Information Technology is excellent for students who would like to broaden their Information Technology career prospects. It appeals to aspiring professionals, as the knowledge gained and skills developed and practiced are in individual and small team learning environments, equipping graduates for roles such as analyst programmer, web developer, database administrator, business analyst, systems analyst, and software and apps programmer in a business environment.

The Bachelor of Information Technology consists of twenty four (24) units, each with a value of six (6) credit points over three (3) years full time (144 credit points in total). Students are expected to study eighteen (18) Core Units and six (6) elective Units.

Electives can be chosen from the Bachelor of Accounting and Bachelor of Business as long as their pre-requisites are met.

4.3 Lectures and Tutorials

Students are usually required to undertake four (4) units over a twelve (12) week period. Each unit consists of three (3) hours of class contact each week. The total time commitment students are expected to spend on each unit, over the twelve (12) teaching weeks, is one hundred and forty four (144) hours. Students should plan, on average, for nine (9) hours of self-directed study in addition to the three (3) hours of class contact each week.

Classes are conducted face to face by qualified lecturers. Teaching methods will vary and may include case studies, scenarios, field trips, hands-on practical classes, role play techniques, discussions, presentations, demonstrations, seminars and assignments.

4.4 Assessment Tasks

The objectives of assessment tasks are to evaluate the student's knowledge and skills in a particular unit of study, to ensure the achievement of learning outcomes and motivate the student to learn. In addition, assessment tasks also help to test students' conceptual and practical knowledge, analytical skills, promote innovative thinking and effective communication.

Students should familiarise themselves with any specific unit requirements as listed in the relevant unit outlines.

The form of assessment for each unit will vary. Kent has adopted the following combination of assessment tasks:

- Case study
- Written assignments
- Oral presentations
- Projects
- Quiz
- In-class test
- Examinations

All assessments must be submitted online through Moodle, with the Student Declaration duly signed.

Students should refer to the Assessment Policy & Procedures and the Examinations Policy & Procedures for full details. ([Kent Website](#) > [MyKent Student Link](#) > [POLICY – Assessment Policy & Procedures](#) and [POLICY- Examinations Policy & Procedures - Student Login Required](#))

Further information on Examinations can be found in the Examination Rules Student Handout. ([Kent Website](#) > [MyKent Student Link](#) > [DOC- Examination Rules Student Handout - Student](#))

4.4.1 Assessments

Clear information about assessment tasks is available at the beginning of each trimester on Moodle.

4.4.2 Assessment Feedback

The lecturer will provide students with adequate written feedback about assessment tasks, excluding final examinations and in-class tests, within ten (10) business days of submission.

The feedback is designed to provide students with an opportunity to improve their performance in subsequent assessments. Students receive constructive feedback based on marking criteria.

4.4.3 Special Consideration

Kent has policies and procedures to assist students who are unable to submit an assignment by the due date, or sit an exam or in-class test on the day scheduled due to extenuating circumstances, such as:

- Illness, including psychological disorders
- Compassionate reasons, such as a death in the family.

Extensions to Assignment Deadlines

A student may request an assignment extension if they are unable to submit an assignment by the due date. Students must apply for an extension within three (3) business days of the due date by completing an Assignment Extension form available in Moodle. This form must be submitted in person or by email to the Higher Education Administrator, with supporting documentation, such as a medical certificate.

Late assessment submissions without an approved extension will be penalised. The standard penalty is the reduction of the mark allocated to the assessment item by 5% per calendar day late of the total mark applicable for the assessment item. An assessment item will not be accepted without an approved extension or without approved extenuating circumstances more than ten (10) business days after the assessment due date. In such an instance the assignment will be awarded zero marks.

Deferred Assessments

A student who is unable to attend an in-class test or final examination due to medical or compassionate reasons should complete a Deferred Assessment Application Form available in Moodle. This form should be lodged within three (3) working days of the date of the assessment. This form must be submitted in person or by email to the Higher Education Administrator, with supporting documentation, such as a medical certificate.

The Higher Education Administrator will inform the student by email of the outcome of applications for extensions to assignment deadlines and deferred assessments, including details of new due dates, or deferred assessment dates.

Supplementary Assessment

Students who achieve an overall final mark of 45-49% will be automatically eligible to sit a Supplementary Assessment. The Higher Education Administrator will inform these students by email of the date, time and location of the supplementary assessment task within ten (10) business days of the grade release date. Eligible students will be given one opportunity to complete the supplementary assessment task on a date scheduled in the deferred / supplementary assessment period of the trimester. A student who successfully passes the Supplementary assessment will be awarded a Supplementary Pass (SP) for that unit.

4.5 Grades

4.5.1 Grade Release Dates

Final grades will be posted on the Student Information System (SIS) on the Grade Release Date specified in the Academic Calendar (Higher Education).

4.5.2 Grading System

Kent follows the following grading system for Bachelor Degrees:

- **High Distinction (HD)** (85 - 100%)
- **Distinction (D)** (75 – 84%)
- **Credit (C)** (65 – 74%)
- **Pass (P)** (50- 64%)
- **Supplementary Pass (SP)** (Awarded after successful completion of a supplementary assessment task)
- **Conceded Pass (CP)** (Awarded at the discretion of the Academic Board in exceptional circumstances in a final unit of study within a course.)
- **Fail (F)** (1 – 49%)
- **Absent Fail (AF)** (0%) (No assessment tasks submitted)

4.5.3 Review of Grade

In the event a student believes that their final grade in a unit, issued at the end of a trimester, does not correctly reflect their performance against the criteria, students may choose to informally discuss their concern with the lecturer responsible for the unit. Where the informal approach is not appropriate, or the student wishes to take the matter further, the Review of Grade Policy and Procedure provides a process for a more formal application for a "Review of Grade". ([Kent Website](#) > [MyKent Student Link](#) > [POLICY – Review of Grade Policy and Procedures - Student Login Required](#)).

Students seeking review of individual items of assessment should, in the first instance, approach the Lecturer responsible for marking the assessment item.

This discussion is required to take place within two (2) working days of the date of assessment results being advised to the student or Release of Grade date as published on the Kent Academic Calendar for the Trimester. Where, after such discussion, the student believes an error persists or the result is not a fair reflection of the student's work, the student may apply for Review of Grade.

A student may apply for a Review of Grade provided the student has completed all the essential assessment requirements detailed in the Unit Outline issued at the commencement of the Trimester.

A student may apply for a Review of a Grade if they have reason to believe that:

- They were not provided with a Unit Outline as required
- The assessment requirements as specified in the Unit Outline were varied
- A candidate is of the view that a clerical error has occurred in the computation of the grade
- Due regard has not been paid to the evidence of serious misadventure, accident or extenuating circumstances

A Review of Grade Application Form must be completed and submitted to Academic Unit Administration within four (4) working days* of the Grade Release Date on the Kent Academic

4.6 Academic Misconduct

Academic misconduct means seeking to obtain or obtaining academic advantage for oneself or for others by dishonest or unfair means, this also includes plagiarism.

If a student's work is shown to include plagiarised work, or a student is caught cheating, or other Academic Misconduct concerns, the matter will be reviewed in accordance with Kent's Academic Misconduct Policy & Procedures. ([Kent Website > MyKent Student Link > POLICY – Academic Misconduct Policy & Procedures - Student Login Required](#)).

4.6.1 Plagiarism

Plagiarism is the presentation of the thoughts or works of another as one's own, such as copying or paraphrasing material from any source without due acknowledgment, falsely taking authorship of others work.

Examples:

- a) self-plagiarism, that is, reusing one's work, whole or part, that has been submitted, marked and counted towards to the fulfilment of the requirement of another unit, or the present unit, or a previous offering of the present unit without the permission from the relevant Unit Coordinator's and due acknowledgement and reference;
- b) the inclusion of one or more sentences from another person's work, or tables, graphs, images, designs, computer programs and any other data, ideas or work without the use of quotation marks and acknowledgement of the source;
- c) the use of one or more sentences from the work of another person where a few words have been changed or where the order of copied phrases or sentences has been changed;
- d) the use of one or more lines of computer program from the work of another person where the name of variables or functions or methods have been changed or where the order of the functions or methods has been changed;

Students will be made aware of what constitutes plagiarism and academic misconduct. This information will be available to them via:

- This Student Handbook
- Orientation presentations
- Unit outlines
- Moodle
- Lecturers at the beginning of each trimester
- Academic Learning Support workshops.
- The Academic Misconduct Policy & Procedures

([Kent Website > MyKent Student Link > POLICY – Academic Misconduct Policy & Procedures - Student Login Required](#)).

4.6.2 Cheating

If a student has been determined by a lecturer or tutor to have cheated or colluded during an assessment as those terms are defined in the Academic Misconduct Policy & Procedures, the matter will be reviewed in accordance with that policy.

([Kent Website > MyKent Student Link > POLICY – Academic Misconduct Policy & Procedures - Student Login Required](#)).

Students caught cheating in final exams are removed immediately from the exam room, receive zero for the exam and reported for academic misconduct.

Examples include:

- a) contract cheating where a student arranges, attempts to arrange, acquires or allows any form of paid or unpaid assessment to be undertaken fully or partially by another party and the student represents or represented the work as if it were their own;
- b) completing an assessment for another person or engaging another person to assist in the completion of an assessment;
- c) taking an examination or test for another person or engaging another person to take examination or test;
- d) unauthorised collusion with another person or other persons in an examination or in the completion of other forms of assessment;
- e) copying or attempting to copy from other students in an examination or other forms of assessment;
- f) communicating with others during an examination;
- g) bringing material or device into an examination or other forms of assessment other than the approved items specified for that assessment task;
- h) tampering with examination materials;
- i) leaving examination or test answer papers exposed to the view of other students;
- j) providing forged or falsified medical or other documents to gain an academic advantage;
- k) falsification of data, information or citations as part of an assessment;
- l) taking actions to prevent other students from completing their assessment work;
- m) making a false claim, e.g. the contribution to a group assignment, in relation to an assessment in order to obtain an unfair academic advantage;

4.7 Satisfactory Attendance

All students are expected to maintain 100% attendance and may be considered 'at risk' of not achieving satisfactory grades if their attendance falls below 80%.

Attendance is an important element of successful studies, and regular attendance at all classes, lectures and tutorials is expected. Students are advised that satisfactory attendance is essential to obtain a passing grade in all units in their course of study. It is in the best interests of all students to attend scheduled classes to acquire the knowledge and skills delivered in their course of study.

4.8 Satisfactory Course Progress

The Academic Monitoring and Intervention Policy & Procedures is the process Kent utilises to identify students who are at risk of not achieving satisfactory course progress. The purpose of intervention for students at risk is to improve course progress rates for the individual and across Kent.

At the conclusion of each trimester, students will be assessed as being 'at risk' of demonstrating unsatisfactory course progress through the generation of reports when the student:

- has failed 50% or more of the units attempted in the trimester; or
- fails a unit with the result that the student is no longer able to complete his or her course within the current duration of their existing electronic Confirmation of Enrolment (eCoE).

Students may also be identified for early intervention by the following triggers:

- Poor academic history when transferring from another provider. This is identified during admission to Kent and recorded on the 'Offer of Admission' to notify that the student is required to attend an 'early intervention meeting' prior to enrolling in their first trimester of study at Kent;
- Low attendance and/or participation in class identified through referral from academic staff or through the generation of Kent's student attendance reports;
- Failure to submit or attend particular assessments during a trimester;
- If a student has personal circumstances that are impacting on his or her ability to study and this has been brought to the attention of Kent staff.

Please refer to Kent's Academic Monitoring and Intervention (HEd) Policy & Procedure for an explanation of the process that are followed to identify students who are not progressing academically so they can be offered appropriate support services to improve their performance. ([Kent Website](#) > [MyKent Student Link](#) > [POLICY – Academic Monitoring and Intervention \(HEd\) Policy & Procedures - Student Login Required](#))

4.9 Reporting to Immigration

It is mandatory that Kent notify the Australian Government Department of Home Affairs on the students electronic Confirmation of Enrolment (eCoE) as soon as practicable if an international student has unsatisfactory course progress, outstanding fees and/or student misconduct, and:

- the student has chosen not to access the complaints and appeals processes within the twenty (20) working day period, or
- the complaints and appeals process is completed and the outcome is in support of Kent.

This process may lead to cancellation of the student's visa.

4.10 Academic Calendars

The Academic Calendar is available on page 23 of this Handbook. Academic Calendars for future years are available from Kent's policies and forms site: kent.rtdmanager.com.au. Only plan holidays during your designated break periods!

4.11 Graduation

Kent conducts a minimum of one Graduation Ceremony per year in Sydney and Melbourne. Once the results are finalised and ratified by Academic Board, the Kent Governing Board meets to endorse the conferring of Higher Education awards to students who have completed all course requirements. This process is in accordance with [Kent's Graduation and Conferral of Award Policy and Procedures](#) ([Kent Website](#) > [MyKent Student Link](#) > [POLICY – Graduation and Conferral of Awards Policy & Procedures – Student Login Required](#))

Students who are deemed eligible to graduate will receive a confirmation notification from the Student Services Unit. This confirmation will include instructions on how to apply for a Completion Letter and Official Transcript.

Official documentation:

- The **Official Transcript** lists all units a student has attempted and the grades awarded. If a student has received course credit (exemptions) these will be included.
- The **Completion Letter** confirms a student has completed all course requirements and is eligible to receive the award. In relevant courses, any specialisations completed by the student will also be included and the duration of study, including actual commencement and completion dates.
- The **Testamur** (Certificate) is issued to graduands at the yearly Graduation Ceremony. If a graduand is unable to attend the ceremony they can request for the Testamur to be posted or collected, which will only be available on or after the Graduation Ceremony.
- The **Australian Higher Education Graduation Statement** (AHEGS) is the Australian equivalent of the European Diploma Supplement. It is a document which describes a higher education qualification including descriptions of the nature, level, context and status of the studies undertaken as well as information about the education system to which the qualification belongs. Like the Testamur, this is issued during or after the Graduation Ceremony.

As members of a community of scholars, Kent students are encouraged to develop a capacity for critical judgment and sustained and independent search for truth. Freedom to learn depends upon appropriate opportunities and conditions in the classroom and in the larger community.

Kent students have the right to freedom of speech and they should be encouraged to examine and discuss all questions of interest to them, and express opinions publicly as well as privately.
