Instructions for Students

It is recommended that students should also refer to Kent Institute Australia (Kent) Course Credit and Articulation Policy and Procedure (<u>Documents</u>> Public Policies and Forms > POLICY – Course Credit and Articulation Policy & Procedure.)

Definition of credit transfer/unit exemption:

A course credit may be granted if there is a 'one to one' equivalence between the unit(s) successfully completed at the previous institution that match Kent's unit(s).

Policy:

- Students seeking course credit should preferably apply within 30 days of the commencement of their course of study.
- 2) The following documents <u>must be attached</u> for your application for course credit to be considered:
 - a) Certified copies of Academic Transcripts or examination results.
 - b) The appropriate sections from the Student Handbook or syllabus for the year in which the relevant unit(s) were passed describing in detail the unit(s) studied at the previous institution.
 - c) An official English translation of overseas qualification/academic records
- 3) Where Kent grants a student course credit which leads to the shortening of the student's course, Kent will:
 - a) If the course credit is granted **before** the student Visa is granted, indicate the actual net course duration in the CoE for that student for that course; OR
 - b) If the course credit is granted **after** the student Visa is granted, report changes of course duration via the Department of Home Affairs (DHA) Provider Registration and International Student Management System (PRISMS).
- 4) Students would normally receive course credit up to a maximum of 50% of the course of study.
- 5) There is no credit recognition fees to be paid.
- 6) If applying for exemption on the basis of work experience, a resume which outlines the experience and a letter from your employer(s) stating that you must have a minimum of **three (3) years** work experience.
