

COVID-19 suspected or confirmed case handout

If you have flu-like symptoms

If you have severe difficulty breathing, call triple zero (000) immediately and tell the call handler and the paramedics on arrival about your recent travel history.

If you have recently travelled to mainland China, Iran, Italy or South Korea and have developed a fever or respiratory symptoms, it is very important that you **call before visiting** your doctor or the hospital emergency department to describe your symptoms and travel history. To locate your nearest health service, visit

<https://www.healthdirect.gov.au/australian-health-services>

You can also **call the healthdirect helpline on 1800 022 222** to speak with a registered nurse. For more information visit <https://www.healthdirect.gov.au/coronavirus>.

Melbourne

Screening clinics have been established at 7 Melbourne hospitals. You don't need to call ahead if you attend one of the following clinics:

- Austin Hospital, 145 Studley Rd, Heidelberg, 03 9496 5000
- Box Hill Hospital, 8 Arnold St, Box Hill, 1300 342 255
- The Alfred Hospital, 55 Commercial Rd, Melbourne, 03 9076 2000
- The Royal Melbourne Hospital, 300 Grattan St, Parkville, 03 9342 7000
- Monash Clayton, 246 Clayton Rd, Clayton, 03 9594 6666
- Sunshine Hospital, 176 Furlong Rd, St Albans, 03 8345 1333
- Northern Hospital 185 Cooper St, Epping, 03 8405 8000

Patients who have symptoms compatible with COVID-19 may present to these screening clinics.

For more information about COVID-19 please [visit the Department of Health and Human Services website](#) or contact the dedicated COVID-19 hotline on 1800 675 398.

You can also **call the healthdirect helpline on 1800 022 222** to speak with a registered nurse.

Sydney

If you develop fever, cough, runny nose, shortness of breath and other symptoms and have travelled overseas in the 14 days before developing symptoms, you should see your GP or visit your local Emergency Department to be tested for COVID-19. If you are visiting your GP, please **call ahead** before seeing your doctor and tell them where you have travelled.

Nearest hospitals to Sydney campus:

- St Vincent's Hospital, 390 Victoria Street, DARLINGHURST, 02 8382 1111
- Royal Prince Alfred Hospital, Missenden Road, CAMPERDOWN, 02 9515 6111

To locate alternate nearest GP or emergency health service, visit <https://www.healthdirect.gov.au/australian-health-services>. You can also **call the healthdirect helpline on 1800 022 222** to speak with a registered nurse.
