**Aim**

2.2 Requests for deferral must be accompanied by supporting documentation as proof of the necessity to defer. Where no supporting documentation is available, a supporting letter explaining the reasons must be provided. Supporting documents may include (but is not limited to):

Applications for deferral of admission received after the Census Date will not be considered. Students will be required to apply for re-admission to a future Trimester.

3.2 Higher Education students may only defer enrolment to the next available intake and they may only defer enrolment once.

**Vocational Education & Training (VET)**

3.3 Applications for deferral of enrolment by VET students must be submitted by no later than 5pm on the Census Date of the Term relevant to the current offer. Applications for deferral of admission received after the Census Date will not be considered. Students will be required to apply for re-admission to a future Term.

3.4 VET students will be granted a deferral of enrolment for a maximum period of six (6) months. Applications for a second or subsequent deferral of admission received where the maximum six (6) months deferral has previously been granted will not be considered.

When the maximal allowable deferral period has lapsed, the student will need to obtain a new Offer of Admission if they still wish to undertake studies at Kent.

4.0 Review of Request for Deferral of Enrolment and Notice of Outcome to Student

4.1 All requests for deferral of enrolment will be considered and assessment will be completed within two (2) working days. The outcome of the decision to either grant or deny the request for deferral of enrolment will be provided to the student in writing no later than two (2) working days.
4.2 The student will be notified that he or she has **twenty (20)** working days to access Kent’s Complaints and Appeals Policy and Procedures in the event that they are not satisfied with Kent’s decision.

4.3 An overseas student who has had their application for deferral approved will be issued anew CoE (where applicable) and advised of the need to seek advice from Immigration on the potential impact on his or her student visa.

4.4 Students whose deferral application is not approved, for example where they submitted a request late or were previously approved for deferral will be expected to commence their studies in accordance with the original Offer of Admission. Any student who does not commence in accordance with the original Offer of Admission will have their Course cancelled due to non-commencement, as stipulated in the **Student Selection and Admission Policy & Procedures** and will need to re-apply for admission should they wish to study with Kent at a later date. International Students who fail to commence in accordance with the original Offer of Admission, will have their current CoE cancelled.
