Purpose

Detail the required tuition and administrative fees, charges and payment rules for Kent students.

Scope

This policy applies to all domestic and international Kent students and includes courses registered with the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS).

Aim

Outline the requirements and procedure pertaining to the payment of tuition and administrative fees for Kent students.

Procedures

1.0 Tuition Fee Due Dates

Students are required to pay all tuition fees due for each study period, prior to the commencement of classes and as stated on their signed written agreement known as the '*Offer of Admission – Domestic/ International Student Enrolment Agreement*'. Kent may change its tuition fees at any time, however, throughout the duration of the courses listed on a student's written agreement there will be no changes made to the tuition fee amounts outlined on the Offer of Admission. The student is responsible for keeping a copy of their written agreement.

If a student requests a change to their existing enrolment (course) they will be issued with a new written agreement (Offer of Admission) which will have the tuition fees applicable to their new course. and other applicable administrative charges.

Where a student is required to repeat a Unit, they will be required to make an additional tuition fee payment based on the current rate per unit applicable to the year in which unit is repeated.

2.0 Students eligible for Vet Student Loans (VSL), FEE-HELP and HECS-HELP

An eCAF is an Electronic Commonwealth Assistance Form and is required to be completed by eligible students wishing to use VSL HECS-HELP or FEE-HELP for the payment of their tuition fees.

Where a student is approved and opts to defer payment of all outstanding fees or student contribution amounts via the Higher Education Loan Program they will not be required to pay any tuition fees upfront at the commencement of each study period.

Charges will apply where the student remains enrolled after the applicable census date for unit/subject/ Unit of Competency has passed. Census dates for all study periods are published on the relevant Kent Academic Calendar.

3.0 Re-crediting of charges - VSL, FEE-HELP and HECS-HELP

If a student withdraws from a unit after the Census Date due to 'special circumstances', they can apply to Kent to have their HELP or VSL debt remitted (and their HELP Loan Limit re-credited if applicable). *For more information on this process, refer to Clause 7.0 of the Kent [Student Refund Policy and Procedures](#).*

4.0 New International Students

Upon acceptance of an offer of admission and prior to a Confirmation of Enrolment (CoE) being issued all international students are required to pay the initial tuition fee deposit, any Overseas Student Health Cover (OSHC) premium and enrolment fee as specified in the written agreement (Offer of Admission). The combination of these payments are referred to as the **initial deposit amount**. (*Note: all payments must be received and cleared.*)

Initial tuition fee deposits will be credited towards a student's full tuition fees due once they have enrolled and commenced their course with Kent. Unless otherwise specified in a student's written agreement, students will be required to pay any difference between their initial tuition fees and the full tuition fees for the first study period upon enrolment into the course.

5.0 Continuing International Students

a) Higher Education (HEd)

HEd students who fail to re-enrol before the last date to enrol of a **compulsory** study period (*i.e. units of study chosen and paid full tuition fees*) and have not notified Kent of their inability to continue their course of study on the Student Withdrawal Transfer Release Request form will be considered in effect to have withdrawn from their course with Kent and will have their CoE cancelled for 'Student notified cessation of studies' and the Department of Home Affairs (DHA) notified. This may lead to the student's visa being cancelled. (Refer to [Student Selection and Admissions Policy & Procedures](#))

b) Vocational Education and Training (VET)

VET students will be automatically enrolled in all study periods until completion of the course and will be expected to pay the tuition fees due, on time and in accordance with their written agreement. If a VET student is unable to continue the course, this must be notified in writing by completing a withdrawal request form prior to the census date of the applicable study period. *Refer to Student Withdrawal Transfer Release Request Form.* If a student has not informed Kent of withdrawal prior to the census date, the charges for that study period will be payable by the student.

6.0 Late Payment Administrative Charges

Students who do not pay all outstanding tuition fees for a study period within 7 (seven) days after the agreed tuition fee due date stipulated in the signed *Offer of Admission- Student Enrolment Agreement* will have a late payment administration charge of \$100 added to their Kent student account and may be excluded from classes they have not paid for (this fee is current at the date of Policy and may change - refer to the current [Student Ancillary Charges](#) for any update to this administration charge).

7.0 Requests for extension of time to pay fees

Kent may approve an extension of time to pay tuition fees only under exceptional or compelling circumstances. The *Student Fee Extension Application* must be completed and submitted with documentary evidence.

Kent will consider requests for an extension of time to pay tuition fees on an individual case by case basis. Requests must be submitted in writing (*student email is acceptable*) on the *Student Fee Extension Application Form* and include documentation explaining the exceptional circumstances. Submissions can be made in person at the Kent Administration Reception or emailed to StudentFinance@Kent.edu.au. *Further information is available here:* <http://kent.edu.au/how-to-pay/>.

1. Fee extensions are granted for a maximum of four (4) weeks from the Fee Due Date with approval by the designated authorised staff on the *Kent Student Fee Extension Application form*. Any fee extension request extending beyond a four (4) weeks duration will require approval from the Chief Executive Officer (CEO).
2. Any student receiving approval for a fee extension must pay an upfront **Fee Extension Administration Charge of \$100 upon submission** of the signed *Student Payment Schedule Agreement provided to the student by Student Services Unit*.

8.0 Reporting Students for Non-Payment of Tuition Fees

Students who do not pay all outstanding tuition fees and applicable late payment fees within fourteen (14) days after the agreed tuition fee due date specified in either the *Offer of Admission- International Student Enrolment Agreement* or *Student Payment Schedule Agreement* will be sent a notification that Kent intends to cancel their enrolment for non-payment of fees. Students will only be fully reinstated into their course when all outstanding fees are paid. Kent will issue intent to cancel notices to students by Kent student e-mail and personal e-mail addresses (as provided to Kent). Students will be provided with twenty (20) working days in which to access Kent's internal appeal processes if they wish to appeal against Kent's decision to cancel their enrolment. The internal appeal outcome is final.

International students who do not remit full payment due or access Kent's internal appeals process within 20 working days of the notification, will have their CoE cancelled and the DHA notified. This may lead to their student's visa being cancelled. Kent refers cases of outstanding debt to an external debt collection agency for retrieval.

9.0 Appeals Against Non-Payment of Fees Reporting

a) **Application process and considered grounds:**

Appeals against the institutions intent to cancel a student's enrolment for non-payment of fees will be processed within ten (10) working days from the date of lodgment and students will be notified of the outcome in writing, including the reasons for the decision. Appeals will only be considered in the following circumstances:

- i. They are received in writing on the [Student Complaints and Appeals Form](#) within twenty (20) working days from the date of notification; **AND**
- ii. The student believes that Kent has miscalculated their fees and the money owing is being disputed. In this circumstance students may wish to attach proof of payment or evidence of other payments they have made in line with their most recent signed written agreement as supporting evidence; **OR**
- iii. Compassionate and/or compelling grounds supported by documentary evidence that explains why the students finances are affected and why they could not apply for a fee payment extension prior to class commencement, or why they are still unable to meet their payment requirements after the extended due date. The supporting documentation provided in this application must be sufficient enough for Kent staff to be able to accurately assess the validity of the exceptional or unusual circumstances and the ongoing impact this has had on the student's finances.

b) **Successful Internal Appeals:**

Students who have a successful appeal outcome will either have their accounts corrected if the appeal was due to a miscalculation of fees owing, or will be granted an additional one (1) week extension to pay the outstanding fees due if in compassionate and/or compelling circumstances. If a student fails to finalise the outstanding payments within the extended period, they will be sent another notification of intent to cancel for non-payment of fees. During the second appeal period the documentation provided in the first appeal cannot be used as grounds for further consideration.

c) **Unsuccessful Internal Appeals:**

Students who have an unsuccessful appeal outcome will be notified in writing the reason for this decision. This is the only avenue of internal appeal and the decision is final. Students will be reported for non-payment of fees as soon as practicable after the outcome has been communicated.

Kent's written communication to the student advising that the 'Internal Appeal' is **unsuccessful**, must also advise and provide information about the student's right to lodge an external appeal with the 'Overseas Students Ombudsman'.

The student must advise the Manager Student Services within **five (5) working days** from the date of written advice that the 'Internal Appeal' was refused if the student plans to lodge an external appeal.

A student who chooses to lodge an 'External Appeal must do so within **twenty (20) working days** from the date of written advice that the 'Internal Appeal' was refused.

The External Appeal process is detailed in the Kent [Complaints and Appeals Policy & Procedures](#) Clause 9.0.. In addition, the student **must provide** the Manager Student Services with an acknowledgement letter/notice from the designated External Appeal authority that the student has chosen to submit the External Appeal application as soon as possible. The student must also inform Kent immediately upon receiving the outcome of the 'External Appeal', or if the student decides to withdraw their 'External Appeal'
