### Purpose

This policy and procedure meets the legislative requirements and quality assurance standards relating to students who apply to withdraw from or suspend their course of study. It also sets out when Kent may cancel a student's enrolment and the process to be followed.

### Scope

Any Kent student who applies to withdraw from their studies or for a period of leave from their studies. It also applies to students for whom Kent has initiated a cancellation of studies.

### Aim

This policy outlines the procedures by which Kent is governed and will comply with to assess student applications for withdrawal from or suspension of a course of study at Kent and those applicable when Kent initiates a suspension or cancellation of a student's enrolment for a variety of reasons.

## PROCEDURE

### 1.0 Student Application to Suspend Enrolment

- 1.1 Students requesting to suspend their course must make the request on the ***Student Request for Leave or Suspension of Enrolment Application Form*** and submit the completed form to the Student Services Unit. Supporting documents must also accompany the Form at the time it is submitted.

- 1.2 Kent may allow a student to suspend their course of study if the student:
- Has been enrolled for at least one Trimester or Term of study; and
  - Has circumstances beyond their control that result in the student needing to be absent for more than 25% of the study period; and
  - Is able to demonstrate documented medical grounds (e.g. an illness or a disability certified by a licensed medical practitioner by a medical certificate); or
  - Is able to demonstrate exceptional compassionate circumstances (e.g. death of a close family member, major political upheaval or natural disaster in the student's home country requiring emergency travel, or a traumatic experience that has impacted their studies).

Student Services needs to be notified of the situation/circumstances as soon as possible and may request additional documentation as deemed necessary to meet these criteria.

Kent and the Department of Home Affairs (DHA) **do not consider events such as a wedding, a holiday, work opportunities or financial difficulties as appropriate grounds for suspension of studies.** No request for suspension of studies will be granted for these reasons.

- 1.3 The maximum period of time for which a suspension will be granted **is twelve (12) months for Higher Education Courses and six (6) months for VET courses** and will only be assessed and granted for one Trimester or Term at a time. If a student requires further suspension at the end of the Trimester or Term they will need to reapply with new supporting documentation prior to their expected resumption date. Approved suspensions cannot be granted for periods greater than the maximum period.

## 2.0 Student Application for Withdrawal from a Course

Students requesting to withdraw from a course or a number of courses at Kent must make the request on Kent's ***Student Withdrawal Transfer Release Request Form*** and submit the completed form to the Student Services Unit.

If an international student wishes to return to his or her home country, evidence of a confirmed flight itinerary and visa cancellation request/notice will be requested.

If an international student is requesting to change to a different visa category, the Visa Grant Notice for a new visa.

Kent will cancel a student's enrolment i.e. withdraw the student from a course or courses upon the student's request and will not prevent, or unnecessarily inconvenience the student from cancelling their enrolment, however, international students will be advised of the potential impact withdrawal would have on their Student Visa.

The student will be requested to partake in an Exit Interview conducted by the Student Engagement and Wellbeing Co-coordinator, which will be maintained on the student's record in SIS.

Any applicable refunds will be processed in accordance with Kent's ***Student Refund Policy and Procedures.***

### 4.0 Notice of Outcome of Student Requests for Withdrawal and Suspension & Appeals

- 4.1 All students will be notified in writing of the outcome of their application to withdraw from or suspend their enrolment in a course and any reasons for the decision. - 4.2 International students who have successfully applied for suspension of their enrolment or withdrawal from their course will be advised in writing that undertaking a period of leave or withdrawing from a course may affect their student visa and informed of the need to seek advice from the Department of Home Affairs (DHA).
- 4.3 Kent will advise all students of their right to appeal Kent's decision in accordance with Kent's ***Complaints and Appeals Policy and Procedures*** within 20 working days.

- The student's failure to meet course progress or attendance requirements (Refer to Kent's ***Academic Monitoring and Intervention Policy and Procedure*** for procedures on cancellations of enrolment due to non-progression).

Where the suspension or cancellation of a student's enrolment is initiated by Kent on the basis of student misconduct:

- Kent will inform the student in writing of its intention to suspend or cancel the student's and the reason for doing so.
- Kent will notify the student that he or she has **twenty (20)** working days to access Kent's Complaints and Appeals Policy and Procedures.

Following the appeal period, the student will be notified in writing of the final decision with regards to the suspension or cancellation of enrolment by Kent. The outcome will be provided by Student Services to their personal email address and Kent email address on the Kent Student Information System (SIS).

An overseas student who has had their enrolment suspended or cancelled by Kent will be advised of the need to seek advice from Immigration on the potential impact on his or her student visa.

Any applicable refunds will be processed in accordance with Kent's ***Student Refund Policy and Procedures***.

## 6.0 Reporting

Any suspension or cancellation of the overseas student's enrolment will only take effect until the internal appeals process is completed, unless the overseas student's health or wellbeing, or the wellbeing of others, is likely to be at risk. Kent will notify the Department of Education through the Provider Registration and International Student Management System (PRISMS) of the suspension or cancellation of enrolment of an international student. The information entered into PRISMS will be reported to the Department of Home Affairs (DHA). This may result in cancellation of the student's visa.

Academic Board will receive reports on student suspensions and cancellations, and notably any outcomes of misconduct cases.

Governing Board will receive a monthly PRISMS Report including students who have requested suspension or cancellation of their enrolment or have had their enrolment cancelled by Kent.
